

2017 State Junior Development Squad

Assistant Coaches Nomination Form

Nominations Close: Wednesday 15th March,
2017

GENERAL INFORMATION

TBAV are redesigning and rebranding our State Based Training programs.

The first of these will be the Junior Development Program which will have as its clear objectives:

- Skill development
- Improved athlete performance
- Sport Education
- Laying some of the groundwork for the future success of our Victorian President's Shield & Youth Teams

Specifically, the creation of the President's Shield event occurred in 1974 to assist in the development of a pathway for elite junior bowlers. It was the brainchild of then President of the National Sporting Organisation (Tenpin Bowling Australia) Walter De Veer and the Executive Director Jack Walton. This is the pinnacle of junior tenpin bowling, which brings together boys and girls from every State and Territory.

With international support, in 2017 TBA has invited New Zealand and Singapore to again compete in our National Youth Teams Challenge event. International representation is also present in Rachuig (New Zealand) and may extend to some of our other national events.

Please note: It is our intention to conduct the State Junior Development Program alongside our President's Shield practice sessions.

The basic qualities that we would look for in a Development Program athlete are;

- The potential to improve and perform at a higher level;
- To display attitude, commitment and dedication to improving performance;
- To display a willingness to learn and to apply coaching & technical instruction;

ASSISTANT COACH APPLICANT'S INFORMATION

DUTIES: As well as assuming coaching duties, the Assistant Coach is required to liaise with the Head Coaches on all requirements concerning the bowlers as determined by the TBAV State Junior Development Committee.

The Assistant Coach will also be required to assist in team practice sessions as necessary.

PERSONAL QUALITIES: The Assistant Coach should be a person who is not only able to assist the bowlers with their skills on the lanes, both physically and psychologically, but able to make difficult decisions and deal with varying personalities whilst maintaining harmony within the group and with individuals.

Please submit a complete resume indicating your philosophies for development and success together with appropriate details, background and experience.
