

Tenpin Athlete on the Pathway to Success

Tenpin bowling athletes across Victoria were ecstatic to learn recently they'd been successful recipients of a grant designed to help them reach the top of their game.

The Department of Sport and Recreation offer Athlete Pathway Travel Grants to improve Victorian athlete development pathways from community to national representation level.

Support is available to assist community sport and recreation athletes, coaches, officials and teams with the travel costs of participating in training and competition, and for high performance Victorian athletes and teams to compete at national championships or selection events. After a call out was posted on Tenpin Bowling Association of Victoria's website and social media channels a number of applicants were collated. The lucky recipients are;

- **Australian Tenpin Seniors Bowling Association of Victoria** for the 2017 Over 45's State Challenge in Canberra
- **Victorian Senior Challenge Team** for the 2017 Senior National Championships in Melbourne
- **Victorian Rachuig Team** for the 2017 Adult National Tenpin Bowling Championships in Melbourne

Congratulations athletes, we look forward to seeing your performance on the lanes at these events and wish you well for your future in the sport of tenpin bowling.
